

Welcome!

We are happy to welcome you as a reader of our CHERRY project! Below you will find a short guide on how to proceed step by step to successfully complete the curriculum.

The syllabus will continuously save your steps, so you can pick up where you left off at any time.

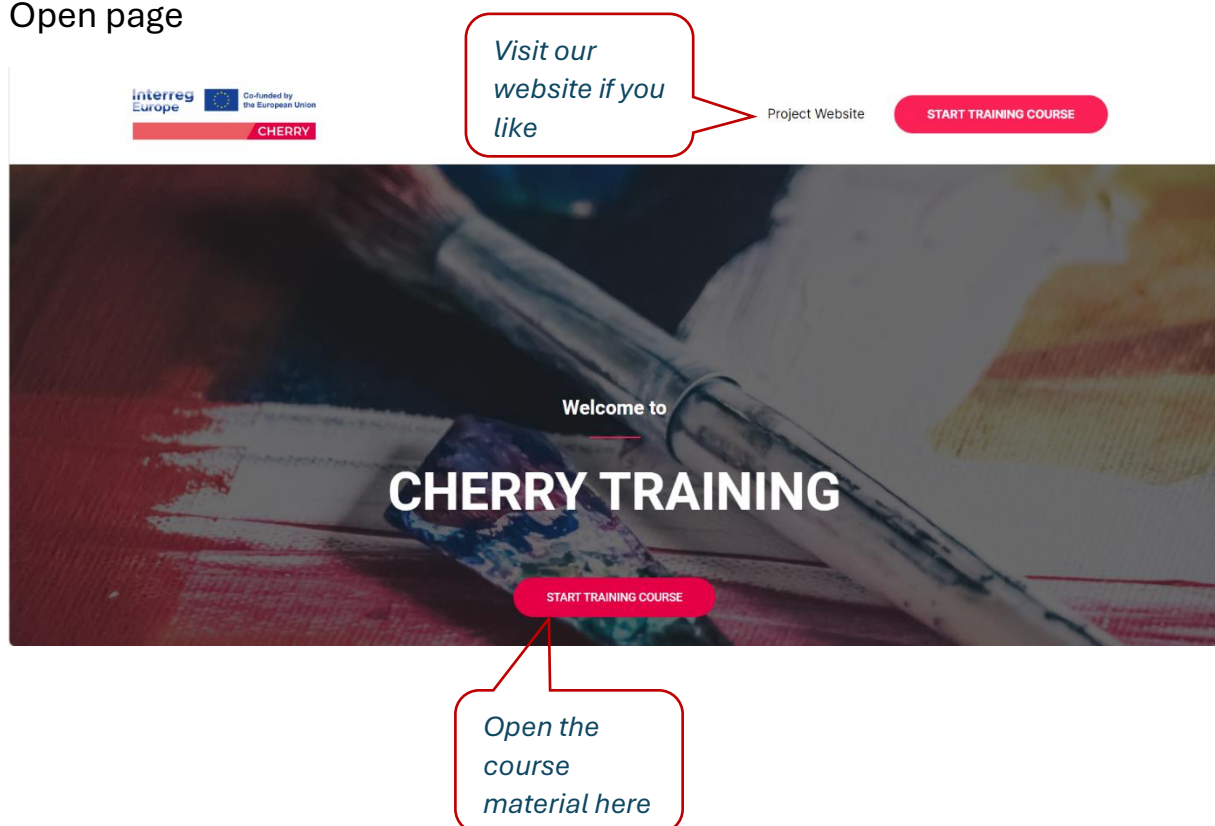

At the end of each module, you will find a short quiz to measure your attention to detail while reading the material. This is, of course, good feedback for you too, as you can see at a glance how much you have learned about the material you have read in each module.

Below we show you how to get started reading the material, what each button does and where to find them.

Let's get started!
